

RRC's NEBOSH Environmental Award

RRC's **NEBOSH Award in Environmental Awareness at Work** provides an introduction to environmental issues within the workplace. It is aimed at staff who require a basic understanding of environmental issues such as in organisations that are:

- Looking to introduce an Environmental Management System
- Seeking to improve their environmental performance

Course Content

RRC's NEBOSH Award in Environmental Awareness at Work is made up of one unit:

Unit EAW1: Environmental Awareness

- Foundations of environmental awareness
 - Meaning of key environmental terms
 - Sustainability
 - Components and certification of an environmental management system
- Pollution, impact assessment and emergencies
 - Principles and practice of risk assessments
 - Air, water and land pollution
 - Environmental noise
 - Waste management
 - Environmental emergencies

Assessment

The **NEBOSH Award in Environmental Awareness at Work** is assessed by a 30-minute multiple-choice exam completed online.
