

## RRC's NEBOSH Environmental Award

RRC's **NEBOSH Award in Environmental Awareness at Work** provides an introduction to environmental issues within the workplace. It is aimed at staff who require a basic understanding of environmental issues such as in organisations that are:

- Looking to introduce an Environmental Management System
- Seeking to improve their environmental performance

## Course Content

RRC's NEBOSH Award in Environmental Awareness at Work is made up of one unit:

### Unit EAW1: Environmental Awareness

- Foundations of environmental awareness
  - Meaning of key environmental terms
  - Sustainability
  - Components and certification of an environmental management system
- Pollution, impact assessment and emergencies
  - Principles and practice of risk assessments
  - Air, water and land pollution
  - Environmental noise
  - Waste management
  - Environmental emergencies

## Assessment

The **NEBOSH Award in Environmental Awareness at Work** is assessed by a 30-minute multiple-choice exam completed online.
