

## RRC's NEBOSH HSE Certificate in Health & Safety Leadership Excellence

RRC's NEBOSH HSE Certificate in Health & Safety Leadership Excellence has been jointly designed by NEBOSH and the UK's health & safety regulator - the Health and Safety Executive (HSE). It is designed to support both leaders and aspiring leaders in gaining core understanding of how their behaviours and responsibilities directly impact on health and safety management.

RRC's NEBOSH HSE Certificate in Health & Safety Leadership Excellence is suitable for those who have leadership responsibilities across all industries. This includes:

- Managers, supervisors and employee representatives
- Newly-appointed and aspiring managers

## Course Content

RRC's NEBOSH HSE Certificate in Health & Safety Leadership Excellence consists of one unit:

### Unit HSL1: Health & Safety Leadership

- The Foundations of Health & Safety Leadership
- Human Failure and Decision Making
- Leadership

With topics including:

- The business benefits of health and safety leadership (including the moral, legal and financial argument)
- The effects of good health and safety leadership of safety culture
- Human failures
- The HSE's 'Make it happen' model
- Decision making processes including mental short cuts and perception biases
- Leadership styles
- The HSE's five leadership values
- Building relationships with the workforce

## Pre-Course Reading

Candidates are required to spend 3 hours completing pre-course reading. This includes:

- Researching your organisations health and safety vision
- Researching your organisations key health and safety risks
- Understanding what is included in your organisations health and safety policy and the objective the policy sets
- Understanding the responsibilities for health and safety which are set for all levels of workers within the organisation

## Assessment

The NEBOSH HSE Certificate in Health & Safety Leadership is assessed by an on the day assessment which includes a leadership intervention.
