Course Content

IOSH Managing Safely in Social Housing covers the following topics:

- Introducing Managing Safely
- Assessing risk
- Controlling Risks
- Understanding Responsibilities
- Understanding Hazards
- Investigating Incidents
- Measuring Performance

Assessment

IOSH Managing Safely in Social Housing is assessed by a 30 question mixed format exam and a short practical assessment (a workplace risk assessment) completed at the end of the course.

If you are studying via e-Learning, your exam is online and the practical assessment completed at your workplace.
